* **Full exchange** = GOLDEN OPPORTUNITY! Passengers switch on or off the cruise in Auckland. **Put up your welcome posters three days in advance** for people arriving in Auckland to get on the cruise. Leave posters up afterwards for passengers off the ship, staying in Auckland. Whenever there is a full exchange, we can expect two sets of passengers for that ship - so double the maximum passenger figure!

Partial exchange - SILVER OPPORTUNITY! Not as big as a full exchange, but expect people to be around Auckland before and after the cruise ship is in town!

Transit only = Passengers here for the day only. Expect day trippers, and perhaps quite a few will scoot out of Auckland for a Rotorua visit so numbers making it to Parnell might not be as high.
