## Nu to U

Nu to U designer recycle boutique was established in the Parnell community in 1987. It's been nearly 30 years in Parnell!

A great way to refresh your wardrobe every season. Owner Alex Corbin accepts only the best in stock, and it's reflected in the quality of the clothing and accessories in store.

Nu to U has been, and continues to be, an iconic popular destination for new, returning, national and overseas customers every day.

So come on in! Refresh your wardrobe by buying gorgeous new stock arriving daily and/or selling any designer end items you may want to move on.
