

Teak Warehouse

Be inspired by the designs, variety and quality of the pieces at Design Warehouse. Go shopping for classic, eclectic, modern, or organic styles, all of which they have brought to you from designers and artisans around the world. Visit their website or come see the largest showroom of in-stock, fully assembled outdoor furniture in New Zealand, which is all available for immediate delivery. Manufacturing in Italy, France, Belgium, Indonesia, Philippines, and Indonesia. Design Warehouse is a wholesaler and distributor open to the public, architects and the design industry. Outdoor cushions as shown on deep seating are included in the pricing, so no hidden costs.
